

## PLANNING SERVICES

### **Essential End of Life Planning: \$90/Individual; \$300/Group**

- Together we will create your Advance Directive--a legal document that allows you to plan & make your end-of-life wishes known if you can't communicate. An Advance Directive includes a Living Will & a Durable (aka "Medical" or "Healthcare") Power of Attorney (the "DPOA").
- We will discuss your decisions regarding life-sustaining treatments.
- We will discuss & determine your wishes for care & treatment of your body.
- We will discuss & determine your desires for memorial services.
- We will discuss & determine who will serve as your Durable Power of Attorney & a back-up.
- We will file your Advance Directive with the State of Arizona & make copies for all concerned parties.

### **Comprehensive End-of-Life Planning: \$500/Individual; \$750/Couple**

- Everything covered in Essential End of Life Planning.
- Make sure your Last Will & Testament or Trust is up to date and relevant.
- Discuss information needed for Last Will & Testament if one is not in place or needs updating (NOTE: The above 2 steps are to prepare for an attorney's review).
- Determine specific instructions for your possessions.
- Determine instructions for dependents and/or pets.
- Gather important biographical information.
- Set up organizational system for key information for heirs.
